**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have enjoyed the superior customer service I have received from Sonic, a local provider in the Bay Area. Please ensure that they and others are empowered to offer and expand their services.

I live in Oakland, California, and am still unable to get fiber (or equivalent high-speed, reliable internet service). I am astounded that I have such poor connectivity options living in the Bay Area in 2018. I believe Sonic is trying to remedy this situation.

Best,

Jeremy Litz
